

Greater Worcester Opera is presenting Sondheim's gorgeous waltz musical, *A Little Night Music*. This will be a restaged version of the show GWO was performing in March of 2020, when the onset of the pandemic stopped us mid-way through our stunning production. Thus, this will be our final "pandemic restoration project", and we couldn't be happier to be revisiting the show with much of the same cast.

We are currently seeking program advertisements for our playbill. Please consider being a part of the artistic contribution which Greater Worcester Opera is bringing to our area, while enjoying the benefit of advertising your goods and/or services to our local audience. *(For more information about our company or this production, we invite you to visit us on the web at www.GreaterWorcesterOpera.org.)*
